Subject: more underlying draft changes

Hi Mike, I made minor changes in the electronic versions of -0841, -1485, -0422, -0279, and -0255.

Cathlene, I'm giving Binder #2 to the LPSes to make the changes to -1561, please let me know if that is not the right procedure.

Thanks, Ellen

Subject: LFB

Not that you're thinking about the next stage in the budget, but DOA has waived confidentiality with respect to LFB. So as soon as we finish putting the pieces together (probably sometime tomorrow morning), we will share the documents (they want companion bills) with LFB.

Just FYI.

MEMORANDUM

To: Drafting file of 2013 biennial budget bill

From: Mary Gibson-Glass

Subject: Error in analysis

The following language accidentally got into the analysis under the heading of Buildings and Safety.

Under current law, most persons who act as construction contractors must be registered by DSPS. This bill repeals this registration requirement.

The repeal of this registration requirement (s. 101.147) is not included in the budget bill.
